

Public Notice

U.S. Army Corps of Engineers, Norfolk District

CENAO-WRR
NAO-1988-00021

July 10, 2025

**NOTICE OF AVAILABILITY
RECORD OF DECISION
THE SOUTHEASTERN PUBLIC SERVICE AUTHORITY'S (SPSA)
PROPOSED REGIONAL LANDFILL EXPANSION**

All interested parties are hereby advised that the U.S. Army Corps of Engineers, Norfolk District (Corps) has completed its National Environmental Policy Act (NEPA) review process, Section 404 of the Clean Water Act 404(b)(1) analysis, and Public Interest review for SPSA's proposal to expand the Regional Landfill at 1 Bob Foeller Drive off merged U.S. Routes 58, 13, and 460 in Suffolk, Virginia.

The Record of Decision is electronically available in the following locations:

<https://projects.vhbapps.com/spsa-eis/>

<http://www.nao.usace.army.mil/Missions/Regulatory/SPSAPermit/>

The District Engineer received a permit application from SPSA to authorize their preferred alternative, which was evaluated as Alternative C in the Final Environmental Impact Statement and Record of Decision. The Department of the Army permit for this project has been issued; therefore, the Corps is not requesting comments on the Record of Decision.
